Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Harvard Road Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Ayer located at 1 Main St, Ayer, MA 01432. The funding would be used to support the installation of new sidewalks and bike lanes to close a critical gap in pedestrian and cyclist infrastructure along a high-traffic corridor. The project is an appropriate use of taxpayer funds because it will provide safe, accessible intermodal travel between the Towns of Ayer and Harvard, strengthening regional connectivity and driving economic activity in both towns.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
