Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Bolton Public Safety Drinking Water Infrastructure Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Bolton, located at 663 Main Street, Bolton MA 01740. The funding would be used to support the permanent replacement and reconfiguration of a compromised public drinking water supply serving critical municipal facilities, including the Public Safety building. The project is an appropriate use of taxpayer funds because it strengthens critical public safety infrastructure and protects first responders by providing safe, reliable drinking water for their facility. This project safeguards access to essential services for this rural community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
