Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Assabet River Multi-Use Bridge Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Concord located at 22 Monument Square, Concord, MA 01742. The funding would be used to construct a shared-use path and multi-modal bridge over the Assabet River in West Concord. The project is an appropriate use of taxpayer funds because this bridge will create a vital connection between the West Concord Village business district, the MBTA commuter rail station, the Bruce Freeman Rail Trail, and major employment centers along Baker Avenue, directly supporting access to economic opportunity.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
