Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Dunstable Fire Station Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Dunstable, located at 511 Main Street, Dunstable, MA 01827. The funding would be used to support critical upgrades to modernize and improve the Town's fire station. The project is an appropriate use of taxpayer funds because it will increase the Dunstable Fire Department's operational capacity, enhance its emergency response capability, and improve overall public safety for residents of Dunstable and surrounding communities.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
