Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lunenburg Street Intersection Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Fitchburg located at 718 Main Street, Fitchburg, MA 01420. The funding would be used to install a new traffic signal system and perform related roadway improvements to enhance pedestrian and motorist safety. The project is an appropriate use of taxpayer funds because this high-traffic intersection has experienced 88 crashes in the past three years and these critical safety improvements will benefit the students, commuters, and residents who rely on this corridor daily to access economic opportunities.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
