Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lancaster Fire Department Ambulance Upgrades Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Lancaster, located at 701 Main Street, Suite 1, Lancaster, MA 01523. The funding would be used to purchase critical equipment needed to outfit the Town's ambulances to provide Advanced Life Support (ALS). The project is an appropriate use of taxpayer funds because it will strengthen the Fire Department's emergency response and treatment capabilities, improve patient outcomes, and enhance the overall safety of the residents of Lancaster.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
