Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Appleton Street Corridor Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lowell located at 375 Merrimack Street, Lowell, MA 01852. The funding would be used to support critical streetscaping upgrades, including ADA-compliant crosswalks and sidewalks, along a key entry point to the City's central business district. The project is an appropriate use of taxpayer funds because it will deliver both public safety and economic benefits to the City by providing safe access to local businesses for residents, workers, and visitors.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
