Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pawtucket Street Corridor Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lowell, located at 375 Merrimack Street, Lowell, MA 01852. The funding would be used to support the reconstruction and improvement of a critical roadway which connects major employment, educational, and commercial centers in the city. The project is an appropriate use of taxpayer funds because it will support safe, multimodal access to economic opportunities in this corridor for students, residents, workers, and visitors.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
