Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Main Street Intersection Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Marlborough, located at 140 Main Street, Marlborough, MA 01752. The funding would be used to implement strategic upgrades to an intersection that serves as a gateway to downtown Marlborough. The project is an appropriate use of taxpayer funds because it will enhance public safety, reduce congestion, and unlock the full potential of the City's ongoing downtown revitalization efforts that are delivering over 400 new housing units as well as expanded commercial activity.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
