Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pleasant Street / Patten Road Sidewalk Connection Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Westford located at 55 Main Street, Westford, MA 01886. The funding would be used to support the construction of new sidewalks to close a critical gap in pedestrian infrastructure along Pleasant Street and Patten Road in Westford. The project is an appropriate use of taxpayer funds because it will create a safe, continuous pedestrian link between the Cameron Senior Center, Westford Academy, and small businesses on Prescott Street, improving access to key community destinations and strengthening economic connectivity within the Forge Village area.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
