Dear Chairwoman Cole and Ranking Member DeLauro:

I am requesting funding for the Littleton Common Sewer System Expansion Project in fiscal year 2025. The entity to receive funding for this project is the Town of Littleton, located at 37 Shattuck Street, PO Box 1305, Littleton, MA 01460. The funding would be used to expand the Littleton Common Sewer System's discharge site. The project is an appropriate use of taxpayer funds because the redevelopment of Littleton Common, the Town's central commercial hub, is currently underway and the Town requires additional sewer discharge capacity to support this project. Additionally, the added capacity will support the mitigation of existing water quality concerns.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
