Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Acquisition and installation of a 3D Mammography System: an effort to increase cancer screening rates for women (digital breast tomosynthesis)** in fiscal year 2023. The entity to receive funding for this project is UMassMemorial Health – HealthAlliance-Clinton Hospital, located at 60 Hospital Road Leominster, MA 01453. The funding would be used for the acquisition and installation of a digital breast tomosynthesis (DBT) to replace an aging full-field digital mammography located on the Fitchburg Campus. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
