Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a **pilot Middlesex County Restoration Center** in fiscal year 2022. The entity to receive funding for this project is the Massachusetts Executive Office for Health and Human Services, located at 1 Ashburton Place, 11th Floor, Boston, Massachusetts, 02108. The funding would be used to pilot a Middlesex County Restoration Center, a well-studied concept to divert such individuals suffering from behavioral health challenges from unnecessary imprisonment and, instead, assist them to get the help they need and deserve to recover. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
