Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lawrence Bridges Restoration Project in fiscal year 2026. The entity to receive funding for this project is the City of Lawrence, located at 200 Common Street, Lawrence, MA 01840. The funding would be used to restore and improve critical bridges in the City of Lawrence. The project is an appropriate use of taxpayer funds because it will address public safety concerns raised by the deteriorating condition and potential failure of the bridges while promoting economic vitality and community connectivity for the residents of Lawrence.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
