Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Community Health Connections Children's Mental Health Services** in fiscal year 2023. The entity to receive funding for this project is Community Health Connections, Inc., located at 326 Nichols Road, Fitchburg, MA 01420. The funding would be used for establishing a dedicated service line for Children's Mental Health. Services would include outpatient individual, family, and group therapy services (in-person and via telehealth), psychiatry, in-school therapy, therapeutic case management, peer mentoring, parenting classes, as well as consultation and training for local pediatrician offices, schools, juvenile courts, and local police departments. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".

Lori Trahan
Member of Congress
