Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Ellen Swallow Richards Park and Island Parkside Open Space and Recreation Plan** in fiscal year 2023. The entity to receive funding for this project is Lawrence CommunityWorks Inc., located at 168 Newbury St., Lawrence, MA, 01841. The funding would be used to complete the transformational redevelopment of Lawrence, MA's East Island neighborhood from neglected post-industrial wasteland to vibrant mixed-use community. Funding will support increased access to open space, youth recreation opportunities, and stable, energy-efficient, climate-resilient, affordable family housing, by providing the final site components for this project. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
