Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Central Street Water Main Replacement and Upgrade** in fiscal year 2023. The entity to receive funding for this project is Town of Winchendon, located at 109 Front Street, Winchendon, MA 01475. The funding would be used to replace approximately 900 feet of existing water main that is 10" in diameter that is almost 100 years old. This replacement will provide the water users in Winchendon better water and a more constant pressure. The project will also connect the houses from Maple Street to the water tank, so the Town and the water system users are not paying to maintain two separate systems. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lori Trahan".
